A look back at the US mission

October 25th, 2023

DITECFER oversees actions in the USA as part of the European S-ACCESS project, which aims to help European companies bid for public rail contracts in Norway, Canada, and the USA.

A mission to Indianapolis, Orlando, and Miami, organized by DITECFER, took place from October 1 to 12, during which we accompanied 17 European companies.

A look back at the US mission, which took place from October 1st to 12th, 2023 in Indianapolis, Orlando and Miami.

The objective of this mission was to meet the railway public procurers and the railway ecosystem, to help our members to enter the market and collaborate with them.
