Final Event

TENDERING RAILWAY SOLUTIONS OUTSIDE THE EU

May 8th , 2024

Final event of the S-ACCESS project with special experts from the EU Institutions, USA, Canada, Norway and the Railway industry participating in a lively round table

This is a great opportunity for Railway Industries – especially SMEs – and Cluster Managers to have a summary of lessons learnt during the project and to learn about challenges and opportunities concerning internationalisation and participation in public tenders in the three countries the S-ACCESS project worked on.
