Training on Railway Market in Norway

February 27th, 2023

We would like to invite you to participate in the first training session of the S-ACCESS project, which will focus on the Norwegian Railway Market (projects and investments, local railway requirements, key actors, local suppliers, key requirements in tenders, etc.).

The Training is part of the GO INTERNATIONAL IN NORWAY PATH offered by the EU-funded « S-ACCESS » project, supporting European SMEs to participate in Public Tenders outside EU.
