

**Press Release**

## **Training on USA Railway Market**

March 1<sup>st</sup>, 2023

We are inviting you to participate in the **Training Webinar on the USA Railway Market** that will take place online on **the 23<sup>rd</sup> of March 2023 at 15.00-17-00 (CET)**. The webinar is organized within the [S-ACCESS project](#) (“SMEs ACCESS to International Public Procurements”) and aims to train European SMEs to approach the United States market and facilitate their participation in the US public procurements.

The agenda of the meeting will cover topics with information about overview of the United States railway market, public procurement functioning and public tender’s types, current and future investments and projects in US railways, main railway exhibitions and fairs and other important inputs.

This training webinar represents the beginning of the **GO INTERNATIONAL IN USA PATH** foreseen to accompany the SMEs alongside their discovering of Public Procurement in the USA, followed by video recorded trainings sessions, pitches, “Meet the Buyers” events, US mission in October with visit to « Railway Interchange » (here participating in a joint booth will be possible) and « APTA EXPO » exhibitions, B2B meetings, follow-ups and other activities.
